WHY AMERICAN LEGION BASEBALL AT YOUR POST?

- Positively impact 18 young athletes in your local community at a cost of less than \$500 per team.
- Grow your membership by having player's family members and friends involved in an American Legion program, specifically Veteran family members and friends.
- Increase revenue and exposure of your post in the community by holding events that will promote and raise funds for your sponsored team.

HOW TO PARTICIPATE AND ADDITIONAL INFORMATION

- Find a team in your community that is already formed and sponsor them. A good resource would be to reach out to your local High School or youth league in the area. You can also find a Manager/Coach who would be interested in creating a team. Once you have decided on the team you would like to sponsor, simply have the manager/coach contact the State Baseball Chairman, Chuck Johnson, by calling (256) 200-4278 or email at chuck.johnson@tnlegionbaseball.com to assist in getting the team registered.
- The Tennessee American Legion Baseball program consist of four divisions for competition. The Senior, Junior, Freshman and Prospect division. The age requirements for each division ranges from 13-19 years of age. All divisions, besides the Prospects, are required to purchase insurance from K&K, which is the approved American Legion Baseball Insurance.
- Enrollment has been increased from 6000 to 7500 for the 2022 ALB season.
- Cutoff birthdates for Prospects to Freshman and Freshman to Juniors is August 1st.
- The new Prospect Division (14U) has zero recruitment restrictions. This division can provide their own insurance policy, as long as, the post is listed as an additional insurer. Teams in this division that don't purchase American Legion Baseball Insurance or follow recruitment guidelines will not be eligible to participate in our **Freshman** State Tournament. Please call Baseball Chairman to register with the State.
